Garfield students believe in helping others. Here Megan and Spencer are making a Food Shelf donation box!

Special points of interest:

- Please dress for the weather. It's still chilly in the morning so coats, hats and gloves are not unreasonable items to send to school with your child.

Watch for Information:

This is just a reminder to keep watching your child's school bag for more information on the upcoming events.

MAP testing will be held soon for students in grades 2-6. Please watch for scheduled dates when

your child will be taking these tests. A good breakfast on these dates and plenty of sleep will make a difference! (The MAP tests are the old DALT tests.)

Also, the sixth grade auction will be held be-

fore we know it. Please be thinking of items you may want to donate for the auction. A letter will be coming home from Mr. Nelson as the time draws nearer.
